Solutions for **Events, Conferences, & Meetings**

A sampling of our work for event and tourism organizers and hosts

For the XI International Conference on AIDS in Vancouver:

- all international delegates covered for emergency medical care, and for repatriation to home country
- arranged on site medical clinic allowed delegates suffering a sickness or injury to see a doctor without leaving the conference venue, with doctor fees being billed direct to the conference insurance plan

For the fifth meeting of the Asia Pacific Economic Cooperation (APEC) hosted in Vancouver:

- all international delegates (heads of state) covered for emergency medical care, and for repatriation to home country

For the family members of the victims of Air India flight 182, while they attended trial in Vancouver

- non-Canadian family members covered for emergency medical care, and for repatriation to home country

International Baccalaureate (IB) World Youth Congress hosted at the University of British Columbia

- all international youth covered for emergency medical care, medical evacuation, and repatriation to home country
- arranged access to an on-campus network of medical clinics where doctor fees would be billed direct to the event medical insurance

Digital Opportunity Trust – Youth Entrepreneurs Conference in Rwanda

- all international participants (delegates, speakers, organization employees, etc.) covered for emergency medical care, medical evacuation, and repatriation to home country

Heli-skiing Operator

- trip cancellation insurance (with or without health benefits) available to international clients to protect their investment for high cost tour package and accommodation bookings.

Peace of mind, financial protection, and multi-lingual emergency assistance is available for international event participants, and event hosts, through:

- insurance to cover costs for hospital and emergency medical care, medical evacuation, and repatriation to home country
- Network of local walk-in medical clinics set up to bill doctor fees to the event medical insurance
- On-site medical clinic so participants can see a doctor without leaving the event site, and have doctor fees billed to event insurance
- 24/7 multi-lingual travel and emergency assistance (call centre support)

David Cummings Insurance Services Ltd. (DCIS) is an independent health and life insurance brokerage with 30 years specializing in solutions for people travelling or relocating outside their home country.
